## Art Show and Grandparents and Special Visitors Day Thanks

Just wanted to say thank you to all those who attended our Art Show and Grandparents and Special Visitors afternoon. The students had a wonderful time walking around and showing the school to their visitors as well as loading up on goodies from all the stalls and CAFE. Thanks to all the parent volunteers who helped run the CAFE and the second-hand uniform stall and to the staff for organising the stalls. Congratulations to Mel for her amazing work in the Art room, Maria whose choir entertained us all and Grant who organised the Science room experiments. We hope that you enjoyed the experience, and we look forward to doing it all again next year.

## Collecting cans and bottles to raise money for sports equipment

Just a reminder that Michelle is collecting aluminium cans, plastic and liquid paperboard (carton) drink containers between 150mL and 3 litres. You can keep the lids on, we recycle them too. Please ensure you check for the 10 cent label as these are the only items that can be collected. Please do not crush these cans or bottles. Please bring any you have into school and Michelle will arrange for them to be taken to the container collection and collect the money which will then be spent on Sports Equipment for the school.

## Running Round Australia Challenge

As you may be aware students are taking part in the Run Around Australia Challenge. This involves the students building their cardiovascular health by running each morning around the Oval (Grade 5/6). Other grades are also taking part. At the moment the students have run a distance equivalent to running to Bonnie Doon. Michelle hopes that we can reach Sydney by the end of the term and hopefully start to try and get to Brisbane. Thanks to Michelle for organising this event which can only benefit the health of our students.

## Trivia night Saturday 26th October

If you are reading this and you still do not have your tickets for the trivia night please get to the office and order your tickets or if that is not possible turn up on the night. The trivia will be held in the BER from 7pm. This is an adults only trivia night. Please Bring Your Own drinks and snacks. There are lots of prizes and silent auction items. Remember you will need gold coins to take part in some of the games. Get your team together and be ready for some fun and games. \$20 for each team member.

## Christmas Card design Competition Entry Date change

As you may be aware we have the Christmas card drawing competition happening now. Just to be aware that the designs need to be back at school by today and not the 28th as mentioned on the flyer.

*Have a great week*

Andrew

The whole school has been learning Ultimate Frisbee and having a lot of fun learning the backhand throw and hammer throw. They have been playing some mini games to work out strategies to score.

## Run Around Australia Challenge

The Grades 3 - 6 have been participating in the Run Around Australia Challenge. For the first two weeks of term we have collectively run 126.1km. This puts us 2km past Bonnie Doon on our way to Benalla to meet the Hume Freeway.

Shelby was the only one at our school who qualified to compete at the Regional Athletics Competition on Thursday. She represented our school in Discus. Congratulations for making it so far Shelby, but sadly she did not make it through to the State Championships. Well done Shelby, a great effort!

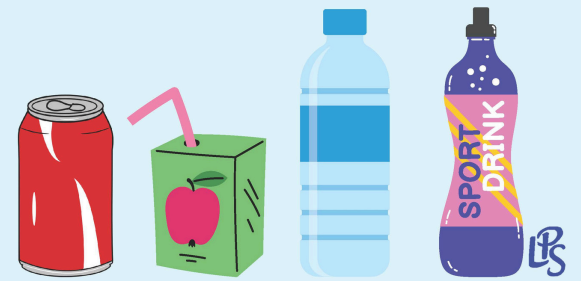

In the first two weeks of school, we have raised \$43.70. Wow!!! Keep sending them in.
